NFL Divisional Playoffs Picks Saints vs Cardinals NFL Divisional Playoff Odds Predictions - The New Orleans Saints score touchdowns so there is no this is why the NFL Playoff Betting Odds Divisional Playoffs list them as -7 point Spread favorite. No real shocker there, although maybe a bit of a surprise given how good the Arizona offense looked last week in that thrilling 51-45 OT win over Green Bay.

I was actually disgusted by the Packers. Here's a team that shut down the Cardinals the week before, all be it with Matt Leinart in at QB. But how do go from giving up only 7 points one week to giving up 51 the next? Kurt Warner had a reincarnation of the Greatest Show on Turf, throwing for 379 yards and 5 TD's. As hard as Aaron Rodgers and the offense fought back, the Defense had no answer. Truly amazing.

The NFL Divisional Playoffs Sports Odds list the total Arizona Cardinals vs New Orleans Saints set at 57 points. Not much of a shocker given that both these teams can light it up, especially via the pass. NFL Divisional Playoffs Picks & NFL Divisional Playoffs Predictions SAINTS have a defense. A pretty good one all season long. The game is in New Orleans. Payton and his crew will take care of business at hand.
